Secretary of ACS – Applications Required

As you will be aware from Membership Bulletin No.58, Andrew Hignell, the ACS's long-serving Secretary, will be standing down after the AGM on 21 March this year.

We are therefore now seeking applications for the Secretary role, and it is important to stress that the post is open to all ACS members.

The ACS Secretary's primary role is to ensure that the General Committee operates by the rules of the ACS, which ensure good practice whether it is in the day to day running of the organisation, its legal and governance responsibilities, its external profile, or dealing with membership issues, to name just four aspects of the multi-faceted administrative elements of the organisation.

The Secretary is automatically a member of the General Committee and attends and organises the agenda for the twelve Committee meetings held annually, as well as supporting the Chair, the Treasurer and the President on all official matters including the AGM. He or she is also responsible for the organisation of the AGM and similar formal events if they are required at any time.

The position is one of three "Officer" positions in the ACS, meaning that it carries legal responsibility including formal signatory powers.

Like all Committee and Officer roles within the ACS, this is a volunteer role and requires a reliable and determined individual who enjoys working with an experienced team entrusted with the running of the ACS.

The new Secretary will take up the position immediately after this year's AGM on 21 March 2026. Andrew's term technically runs for a further 12 months until March 2027, so whoever takes over as Secretary will be asked to stand for re-election in 2027.

We expect that there will be plenty of interest from members, so please apply to John Bryant, the ACS General Committee Chair, at bryantjc@hotmail.com by 17:00 GMT on 20 February 2026.
